

Architects David Chipperfield And Sou Fujimoto To ‘Reinvent’ Paris

ARCHITECTURE

February 11, 2016

Famous architects **David Chipperfield** and **Sou Fujimoto** are amongst 23 *winning architects* chosen to “reinvent” the *city of love*. This project is expected to develop innovative urban architectural projects within the *french capital*. For that, studios were already invited to submit their ideas, before being evaluated by an international panel
